### LENT - FASTING AND FEASTING

Dear Parishioners,

Blessed Lenten season! This time of year offers us encouragement to engage in a deeper way the traditions of prayer, fasting, and almsgiving. For some, it is a time to give up something. For others it is a time to add something. In countries outside of the U.S., the latter is more their custom than the former. In our culture, giving up something is synonymous with Lent. If you are not sure what you might do in this holy season, may I offer some suggestions.

#### Prayer

There is no lack of need of prayer for the situation in the Ukraine. I think all our hearts are broken as we stand in solidarity with the people of the Ukraine. Pope Francis encouraged the world to fast on Ash Wednesday, specifically for the tragedy unfolding and the people being impacted by the violence. If you fulfilled that papal request on Ash Wednesday, wonderful! Might I then invite you to extend your intentions of prayer and fasting throughout the six weeks of Lent of peace and conversion of hearts? In addition, please ask Mary, the Queen of Peace and Lady of Kyiv, to intercede as she asked us to pray for the conversion of Russia so many years ago. Another Saint you may want to seek out is St. Vladimir I of Kyiv, a convert from paganism who eventually removed all semblances of idolatry in his kingdom and promoted Christianity. The patron saint of the Ukraine is St. Olga of Kyiv. She is considered one of Eastern Orthodox's greatest saints. Her story is quite dramatic, and I'll leave it to you to search for her and her story. But, let's just say that she was no pushover when it came to those who wished evil.

#### Fasting

We typically confuse fasting with abstinence. Fasting is the reduction of something while abstinence is the total removal of something. But, sometimes, as I mentioned above, we might focus only on reducing or removing something and forget about adding something. So, consider fasting and feasting in ways that are complimentary. May I recommend fasting from speaking hurtful words or committing violent actions and then feasting on acts of charity especially towards those who have hurt or injured you? Commit to reducing the amount of talking you do and listen more. Stop swearing and offer compliments and blessings instead. When in tribulation, fast from evil thoughts and harsh attacks and instead assume the best of the other, for their behavior may very well have a source of deep suffering, and then offer them comfort and a gentle word of compassion.

#### Almsgiving

Almsgiving can be a sore point for some. Some cling to or are captured by their wealth or are greedy with their time and talent. Instead of simply offering lenten observances that only impact oneself, maybe consider donating each week or once a day some money to charity. Maybe give of your time to someone who needs help, a neighbor or maybe a total stranger. Maybe offer transportation to someone or fix something that your neighbor cannot. Maybe you might consider making a donation to Catholic Relief Services for the people suffering in Ukraine.

Whatever you do for Lent, be sure it is done out of selfless love and not self-serving motivations. Remember, this whole season is intended to prepare and train us to celebrate the most important event of all history, Christ's Resurrection. If you decide to go to daily Mass once a week dedicate it not just for yourself, but for the intention of others. By letting go and removing the obstacles to God while also giving of yourself for the good of others, this Lent may very well change everything.

Blessings,

Fr. William Holtzinger  
Pastor

### FASTING AND ABSTINENCE DURING LENT

All Catholics 14 years and older must abstain  
from meat on the Fridays of Lent,  
Ash Wednesday, & Good Friday.

All Catholics between ages 18 & 59 are to fast on  
Ash Wednesday & Good Friday.

To fast means to eat one full meal. Two smaller meals may also  
be taken for good health but together they should not equal a full  
meal. Eating between meals is not permitted; however, liquids  
including coffee, milk, & fruit juice are allowed.

**CELEBRATING THE SAINTS****St. Frances of Rome****ST FRANCES OF ROME (1384 - 1440),**

born to wealthy parents in Rome, Frances wished to be a nun but her parents objected and selected a nobleman for her husband. Frances and her sister in law agreed to dedicate themselves to prayer and serving the poor. After a son died from the plague she sold her possessions to care for the sick, then went begging for more. After her daughter died she converted part of her house into a hospital. Frances also founded the Oblates of St Mary, a society of women dedicated to serving the poor.

**Patron Saint of Widows,  
Her Feast Day is March 9th**

**Pope Francis (Laudato si')**

**“We need to  
strengthen the  
conviction that  
we are one single  
human family.”**

**LIFE, JUSTICE, AND PEACE**  
**International Day of Human  
Fraternity**

Fraternity is one of the fundamental and universal values that ought to undergird relationships between peoples, so that the suffering or disadvantaged do not feel excluded and forgotten, but accepted and supported as part of the one human family. **We are brothers and sisters!**

- Independently of where and how we live, the color of our skin, religion, social group, sex, age, economic conditions or our state of health - **All of us are different yet equal.**
- We all have a role to play - to help our brothers and sisters raise their eyes and their prayers to heaven... **Whoever worships God with a sincere heart also loves his or her neighbor.**
- Now is the fitting time to journey together. **This is a good day to extend a hand, to celebrate our unity in diversity.**
- It is essential to live in solidarity with one another. Now is not the time for indifference: **either we are brothers and sisters, or everything falls apart.**

**I encourage everyone to be committed to the cause of  
peace and to respond concretely to the problems  
and needs of the least, the poor and the defenseless.  
Our resolve is to walk side by side, “brothers and sisters  
all,” in order to be effective artisans of peace and justice.**

of signing the Document on Human Fraternity with  
the Grand Imam Ahmed Al-Tayyeb on February 4, 2019]

It's not too late to add to your Lenten program. Spending time in the Chapel during Exposition of the Eucharist is a very special way to feel closer to Jesus. The hours of Exposition have been expanded during Lent to include noon to 5:30 pm on Fridays. If you would like to sign up for an hour in the early afternoon that would ensure we have adequate coverage, i.e. two people in the Chapel. We currently only have one person signed up on Friday, March 11th from 1pm to 2pm. If that time fits into your schedule please call Julie at the number listed below. You can still sign up for any hour from 9am until 5.30pm on any Friday during Lent except Good Friday when the Chapel is closed.

The Chapel is available to parishioners 7 days a week 24 hours per day. It is secured by a keypad. If you have not visited the Chapel before please call the office for the code.

### St. Anne Catholic School's Summer Ministry

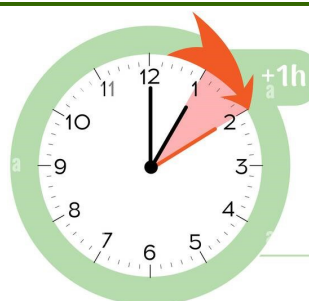

For many years now, St. Anne Catholic School has been able to run a full time summer childcare program. This has been an important service to our families who otherwise would have to find a different place for their children to be all summer long while they work. Not all families have access to family members or friends who can provide safe and affordable childcare during school breaks.

As people re-enter the workforce following the pandemic, it has become increasingly difficult for families to find safe and affordable childcare. Many families who have children in our early childhood education programs bring them to St. Anne because of the year-round childcare we offer. Our program is fully licensed under the Early Learning Division which is part of the Oregon Department of Education. All our staff are certified in the Child Background Registry and complete yearly training and education hours. Our program follows a daily schedule that includes developmentally appropriate play and activities for all the ages of the children we serve.

Unfortunately, our nation is experiencing a widespread shortage of childcare options for families. In our own community, we have seen a great decrease in the number of qualified staff to work in both education and childcare. Last summer, while we ran our program, it was very difficult to keep it staffed and took a lot of time and effort by the office administration to manage it. As we stand now, we do not have enough staff to run the summer program and most of all, we do not have a director to be in charge of the program.

Last summer, we had over 30 students registered. Daily, we had an average of 15-18 students attending. We really want to be able to keep this program going but simply do not have the staffing for it. Please keep this in your prayers and spread the word. If you know someone who is registered with the Child Background Registry and looking for summer work, please let them know to contact the school office. We are looking for a qualified director, teachers, and aides.
