Eighteenth Sunday in Ordinary Time
TREASURES FROM OUR TRADITION

When Pope Pius XII died in 1958, there was the usual buzz of speculation about likely successors. Cardinal Agagianian, Patriarch of the Armenians, was highly thought of as a likely choice. This took many Catholics by surprise, since he had never celebrated the same liturgy as Pope Pius, but followed ancient Armenian customs according to the Eastern Church, which veils the Eucharistic liturgy from sight by a series of curtains, and in which the priest kneels while the people stand for Communion.

In the years that followed, the Second Vatican Council would affirm the dignity and independence of the Eastern Churches, in complete union with Rome, yet different in patterns of life and worship. We have the same faith, the same sacraments, and the same pope. Yet everywhere in the world our separate Churches are combined into families held together by the ministry of bishops. All of this serves as warning: If you ever say, "But we've always done it this way," you are on very thin ice indeed!

ROSARY

July 31st

12:30pm in the Church

Please join the Knights of Columbus in praying the Holy Rosary. We welcome all of you to join us as we ask for Our Blessed Lady's intercession to pray for us during these difficult times.

Be sure to check out the Lighthouse Kiosk located in the Church narthex. The payment slot is on the lower right side of the Kiosk.

THE WARNING
FIVE LIFE-CHANGING TRUE STORIES

My name is Bud Macfarlane, I am a father, a regular guy from New Jersey, and a modestly successful writer with over one million novels in print. I had the honor of editing and publishing the little book. Trust me, you don't want me to give anything away, but I know what follows may be the strangest description of a book you will ever read.

Although *The Warning* consists of five plainly true and straightforward stories by perfectly ordinary people in their own words, everything in it is light-years beyond anything I could have imagined as fiction.

First, this mysterious little book is an utterly unique phenomenon that is spreading like wildfire from one person to another because everyone who reads it is immediately immersed into his or her own deep, dramatic, and personal experience.

To understand this phenomenon, simply open to page one and begin reading the first line by a very interesting Australian man named Alan Ames. You will instantly enter into a reality you never knew could exist.

CELEBRATING THE SAINTS

ST JOHN VIANNEY (1786 - 1859), born in France,

entered the seminary at 19 but struggled because his education was disrupted by the French Revolution. He was ordained at 29 and assigned to the Parish of Ars. Finding that parishioners were careless about their faith, he worked hard to reconcile them with God. He was strict with them but harder on himself. He spent 10-15 hours a day hearing confessions. So many people came from all over France and other countries that the government built a railroad line to Ars. He spent long days serving everyone. He was also known as the champion of the poor. Patron Saint of Parish Priests.

His Feast Day is August 4

JOSEPHINE COUNTY FAIR BOOTH

St. Anne Parish and School will have a booth at the Josephine County Fair again this summer, August 10th through 14th.

Our goal is to share information about our parish ministries and school community, as well as answer questions visitors may have about what it means to be Catholic. We are not in need of material donations at this time, but parishioners are invited to prayerfully consider volunteering to staff the booth.

Please call or drop by the Parish Office if you are interested in helping out!

LIFE, JUSTICE, AND PEACE

Nuclear Disarmament

At 8:15 AM on August 6, 1945, the United States detonated the first atomic bomb used in war over Hiroshima, Japan. A second atomic bomb was detonated over Nagasaki at 11:02 AM on August 9th. Over 100,000 people died immediately.

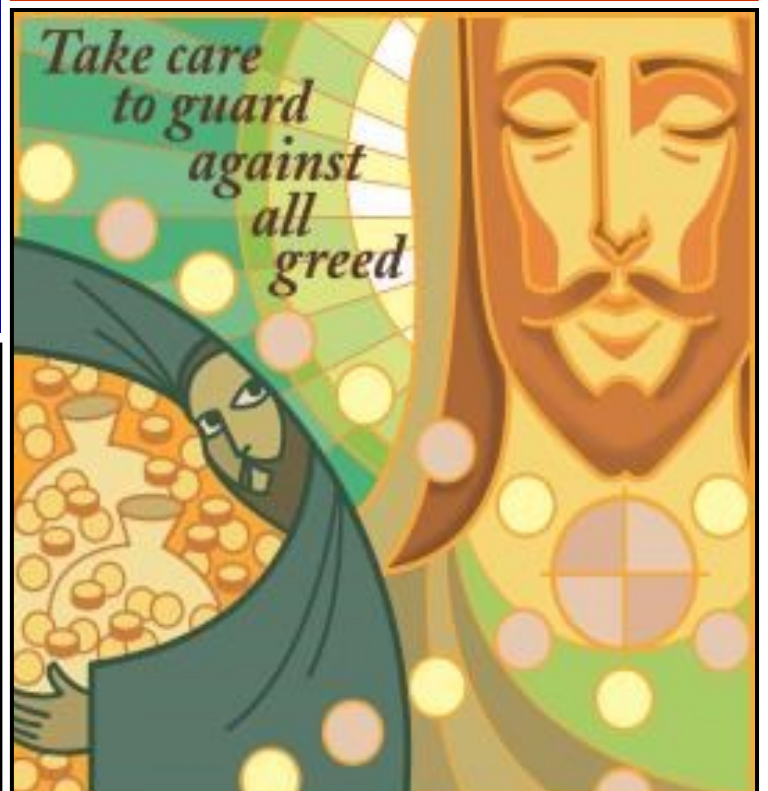

From Pope Francis' Address in Hiroshima and Nagasaki (2019):

The use of atomic energy for purposes of war is a **crime against humanity and immoral. So too the possession of nuclear weapons is immoral.** A world of peace, free from nuclear weapons, is the aspiration of millions of men and women everywhere. To make this ideal a reality **calls for involvement on the part of all:** individuals, religious communities and civil society, countries that possess nuclear weapons and those that do not, the military and private sectors, and international organizations.

The Catholic Church is irrevocably committed to promoting peace. I ask you to **pray each day for the conversion of hearts** and for the triumph of a culture of life, reconciliation and fraternity. In this striking place of remembrance that stirs us from our indifference, it is all the more meaningful that **we turn to God with trust, asking him to teach us to be effective instruments of peace** and to make every effort not to repeat the mistakes of the past.

“We must not give up the dream of a world without wars. May all the peoples of the earth enjoy the joy of peace!”

Pope Francis

St. Anne Catholic School, Grants Pass

Please pray for the school's needs!

St. Anne Catholic School needs three teachers for the upcoming school year. There is a shortage of teachers nationwide and we are really seeing that in our county. If you know of anyone who would like to come teach in a faithfilled environment where they can share their love of Christ with their students, please let them know of these positions.

We need teachers for 2nd grade, 3rd grade, and a small 5/6 combination class. The class sizes are small, we have great instructional aides and a wonderful teaching coach.

Applications must ultimately go through the Archdiocese of Portland at:

<https://schools.archdpdx.org/teaching-application-process>.

However, feel free to contact the principal, Colleen Kotrba, with any questions at ckotrba@stannegp.com.

Any questions, please call

Dear parents and guardians,

Last week, I talked about how wonderful I find it to hear the voices (even the cries) of our littlest Catholics in the pews at Mass. This week, I want to share some tips for parents that were curated by the

Archdiocese of Portland in both English and Spanish:

Relax. God put the wiggle in children; Don't feel you have to suppress it in God's house.

Relájese. Dios puso el movimiento en los niños; No sienta el tener que reprimirlos en la Iglesia.

Sit towards the front or aisle where it is easier for little ones to see and hear.

Siéntese hacia el frente o hacia el pasillo donde es más fácil que los pequeños vean y oigan.

Quietly **explain** the parts of the Mass.

Calladamente **explique** las partes de la Misa.

Sing the hymns and **pray** the prayers together. Children learn from your actions.

Canten los himnos y oren Juntos. Los niños aprenden de sus acciones.

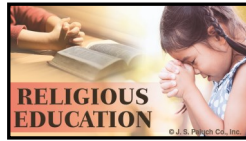

If you must leave Mass with your child, feel free to do so, but please **come back**. As Jesus said, *"Let the children come to me"* (Mt 19:14).

Siéntase libre de salir monetariamente de la Misa con su hijo/a si es necesario, pero por favor **regrese**. Ya que Jesús dijo: *"Dejen que los niños vengan a mí"* (Mt 19:14).

Thank you, parents and guardians, for the gifts you give the youngest in our community. It is your example that best passes on lifelong and sticky faith!

RELATIONSHIP RECOVERY

"Let no one keep you from your journey. You are the explorer, your heart, the unreadable compass. Your soul, the shore of a promise too great to be ignored." *Mark Nepo*

Relationship Recovery is all about using the broken places in our lives for spiritual growth.

Monday nights at 7:00 PM in the Parish Center.

Everyone is welcome!

THE CENTER OF A MEANINGFUL LIFE

Today's readings invite us to reflect upon some of life's deepest questions, and to explore the meaning of faith. We hear of the universal human search for meaning in our lives in the book of Ecclesiastes. In Luke's Gospel, we hear Jesus' parable about one who foolishly seeks ultimate security through the accumulation of wealth. In Colossians, faith in the crucified and resurrected Christ is proclaimed as the path to a richly purposeful and meaningful life. The path of Christian faith places our work, our sufferings, and our limitations within the larger picture of God's purposes for all of us. In Jesus, God is revealed as our companion in human suffering and limitation. God's love is at the center of a meaningful life. We place our trust in this loving God, who created us to share in this love, and to share this love with others.

COMPANIONS IN SHIPWRECK

Good relationships are a vital part of human well-being. In fact, studies show that those with the healthiest relationships live the longest! But where can we see these friendships lived out? Look no further than the life of famed author J.R.R. Tolkien. The relationships he exhibited are a wonderful example for all of us to follow, especially with those we may disagree with. As Tolkien described marriage, it's all about being "companions in shipwreck."

A BIBLE STUDY ON THE LUMINOUS MYSTERIES: THE TRANSFIGURATION

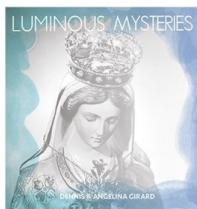

This week we celebrate the feast of the Transfiguration, the mountaintop manifestation of Christ's glory that we read about in the Gospel. As we recall this wondrous event, however, many questions might come to mind. Why did Moses and Elijah appear? Why did Jesus only bring Peter, James, and John? Hear the answers to these questions and more in this episode of

LUMINOUS MYSTERIES

The Transfiguration is part of the Luminous Mysteries, which were introduced to the Church in 2002 by St. John Paul II.
